First of all, please accept our collective thank you's for an extremely good job well done. We have heard many favorable remarks about your presentation at the Sheraton-Ritz. For most of the persons present it was the first time they had had an opportunity to be exposed to such information. Additionally, as far as I know, nothing appeared in print subsequent to your departure. Thanks again until you're better paid.

I have a favor to ask which you may not be able to grant but I'll ask it anyway. Since I have one more industrial conference to conduct in Duluth the first part of June and, since your presentation whets the appetite for Civil Defense, I have been wondering whether or not you could allow me to have a "boiled down, purified condensed" version of your presentation that I might give in Duluth.

If this is not possible, I will certainly understand but, if so, I would appreciate anything you might make available to me.

Awaiting your reply, I remain

Sincerely,

Robert J. Elliott
Director

Just a note to let you know that I'd like to have breakfast with you in the morning of 27 April. Assuming this is agreeable with you, I'll be at the main desk about 8:00A.M. and wait for you.

If you would rather not simply put this letter back posted for me and I'll go ahead to breakfast and no harm done.

Looking forward to meeting you, I remain

Sincerely,
